ABOUT US

Welcome to our Scandinavian style café & bar

Hi,

Welcome to our Scandinavian style café & bar. Back in 2013, I was working in bars and restaurants in Oslo and was inspired hugely by the culture and the people I met there. It wasn't long before I knew that I wanted to bring a touch of Nordic charm to local communities closer to home - enter Oktogon in 2016. I spent years building the bar around Scandinavian attitudes; honesty, modesty and collective responsibility, while incorporating my personal style and natural materials.

Since then, I have striven to bring a touch of Nordic charm to the hearts of other local communities, a little closer to home, with Skogen's trademark warm and inviting atmosphere. Our menu offers a range of delicious food options, as well as a selection of tea, coffee and pastries for the perfect pick-me-up. We use only the freshest ingredients and source our produce locally, ensuring that every dish is of the highest quality.

Whether you're grabbing a quick bite on the go, or spending a leisurely morning with loved ones, we have the perfect space for you. If that takes you into the evening, we're down to party - just bring yourselves and we'll do the rest! Our bars transform into lively evening destinations, offering a range of expertly crafted cocktails, a selection of premium gins and an extensive range of craft beers. We believe in creating a welcoming and inclusive environment, where everyone can come together to enjoy good food, drinks and great company.

Thank you for joining us today. Enjoy yourself and experience the unique blend of Scandinavian brunch culture and lively nightlife for yourself.

One of Italy's leading beers, it's loved worldwide for its signature freshness and delicate balance of bitterness and subtle citrus notes.
